

# RESPONDING WITH Understanding

**AUTISM & NEURODIVERSITY TRAINING FOR FIRST RESPONDERS**

**KNOWLEDGE. COMPASSION. CONNECTION.**

*Stronger Communities. Safer Outcomes.*

Better understanding leads to better outcomes for everyone.

## COMMUNICATE

Use clear, effective communication strategies that reduce stress and improve cooperation.

## DE-ESCALATE

Learn practical techniques to de-escalate situations and enhance safety.

## UNDERSTAND

Recognize autism and neurodiversity in real-world, high-stress situations.

## SUPPORT

Respond with compassion and confidence while honoring each individual's needs.

## COLLABORATE

Strengthen trust with families and build stronger, more connected communities.
